

Creative Curve  
Circular Paving System

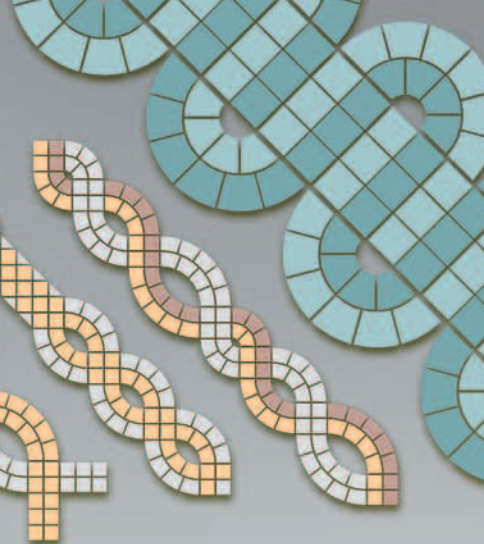

*Bring Your  
Landscape to Life!*

Millions of exciting new design possibilities from just seven circular paving pieces.

South West Creative Stone's innovative circular paving system will add class and character to any outdoor design.

Creative Curve segments fit perfectly with the rest of our quality paving pieces, making it possible to incorporate curves, winding paths and circular sections in your landscapes.

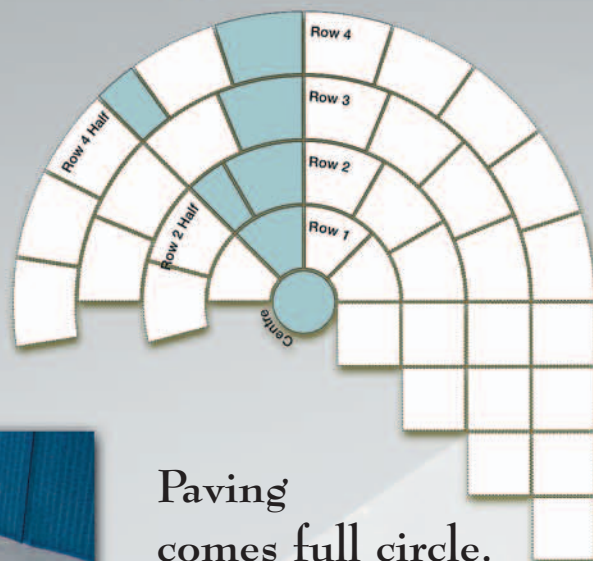

# Creative Curve

## Let Your Imagination Run Wild

Our unique circular paving system makes it possible for the first time ever to create perfect winding paths and circular features in your landscape without the headache of having to cut pavers.

Creative Curve is available in our full colour range presenting limitless design possibilities.

## Paving comes full circle.

Our Creative Curve circular paving system is based on a full circle with a diameter of 3600mm composed of just seven unique pieces.

Each of the four rings of circular pavers is 400mm on the straight edge to match our standard rectangular paving range.
